## VILLAGE OF RANDOM LAKE WATER AND SEWER SERVICE PERMIT APPLICATION

## **Terms & Conditions**

The undersigned landowner applies to Random Lake Utilities for services and requests that the Utility extend to its facilities necessary to provide such service in all accordance with its rate schedules, rules, and regulation on file with the Public Service Commission of Wisconsin (PSC).

- A. The landowner grants to the Utility the right to clear for installation and maintenance of its overhead and/or underground lines, to use any necessary equipment in, on and across the landowner's land to construct and service such lines, to extend service to future customers, and to permit the installation of communication lines and equipment owned by others.
- B. The landowner shall, without cost to the Utility, maintain the premises clear where lines are to be installed or are installed.
- C. If requested by the Utility, the landowner shall grant to the Utility an easement in recordable form conveying the rights and privileges in (A) and (B) above.

The Utility agrees to furnish, and the Customer agrees to take and pay for said service in accordance with the Utility's rate schedule, rules, and regulations on file with the PSC until such time as the Customer discontinues service.

Bills are sent quarterly on or around the 15th of the month in March, June, September, and December. They are due the following month by the 15th.
