Hi Jack,

I'm writing today to explain that the Village's Engineer has reviewed the submitted CSM for the condo project along Orth Drive.

I've attached a copy of the letter describing his recommendations, please know that the corrections will need to be completed before the Plan Commission or Village Board can sign off on the CSM. Their approvals can be done based on contingents with regards to the letter and signing can be completed once those corrections have been made. That process is at the sole discretion of the Commission and Board, it could be required to come back to both bodies for approval of a clean survey.

Please let me know if you have any questions or concerns.

Best Regards,

RE: Scholler Certified Survey Map  
Village of Random Lake

Dear Ms. Lesser,

I have reviewed the above noted CSM per Chapter 236.34 of the Wisconsin State Statutes, along with the requirements of Chapter 32, of the Village of Random Lake Municipal Code, and have compiled the following comments:

**Sheet 1 of 3**

1. For installation and future maintenance of the proposed sanitary sewer within Orth Drive, the Village requests the addition of a 10' wide municipal sanitary sewer easement to the Village of Random Lake, parallel with and 10' south of the south right of way line of Orth Drive.
2. Electric and communication easements need to be added to serve the proposed development. The developer should contact the local utility companies for required easement widths and locations.
3. A note should be placed on the CSM stating that the final grade established by the subdivider on the utility easements, shall not be altered by more than 6 inches by the subdivider or his agent, or by subsequent owners of the lots on which such utility easements are located, except with written consent of the utility or utilities involved.
4. The street name for the road dedication should be shown.

**Sheet 2 of 3**

5. Within the last paragraph of the Surveyor's Certificate, the reference to the Town of Sherman Land Division Ordinance should be revised to read the Village of Random Lake Land Division Ordinance.

**Sheet 3 of 3**

6. Within the Village of Random Lake Village Board Approval, between the words approved and by, please add "and the road dedication as shown hereon accepted".
