### Reminders

There are multiple methods that payments can be made for your utility bills.

- Cash
- Check
- Credit card
- Autopay through your bank.

Payments are processed the same day they are received. When coming close to the due date be aware that payments are processed by received date and not by postmarked date. If mailing give the post office a 5 day buffer.

As an alternative to mailing there is a locked drop box at village hall for dropping off of payments after hours. This box is checked in the mornings and throughout the day.

### Notes

If you ever receive any correspondence from the village or have questions about your bills, please never hesitate to call village hall. They are the direct source of information and can assist you in getting accurate information and answers.
