Sign-up options

Email billing - have your monthly utility bill emailed instead of mailed.

AutoPay - have your monthly utility bill paid automatically from your bank account.

To sign up just stop in at village hall, call village hall, sign up on the village website under the Public Works drop down menu, or leave instruction with the accompaniment of your payment.

Notes/Changes

During the transitioning of these bills from quarterly to monthly, the LSB Coverage charge was not properly recalculated. The amount of \$1.03 showed up on your April billing which was the amount previously charged per quarter. Since overpayment of this charge was made there is no charge for the May nor June billing. The LSB charge will appear again on your July bill for the amount listed above.

Utility bills will now be sent out 20 days prior to the payment date. This is done to ensure no overlapping of bills between prior payment and new bill issue dates.

The 2022 Consumer Confidence Report will be published in The Sounder on June 1st. It will also be available for viewing on the village website under the “Public Works” drop down menu.
