CONDITIONS OF APPROVAL: This permit is issued pursuant to the following conditions. Failure to comply may result in suspension of this permit or other penalty. The applicant agrees to comply with Municipal Ordinances and with the conditions of this permit, understands that the issuance of the permit creates no legal liability, express or implied, of the Department, Municipality, and certifies that the above information is accurate. If work is started before a permit is obtained, except in emergencies, the fee shall be doubled. Granting of a permit after work is started shall not relieve the licensee from any liability. The undersigned hereby applies for and agrees that such work shall conform to the Wisconsin state electrical code and with the national electrical code. Only licensed/certified electricians may obtain an electrical permit and perform work as described above. Permits are valid for two years from the date below.

All work must be inspected by the Building Inspector. Call RK Inspections, Roger Kison at 414-333-4511 for inspections
